

## **Marriage Crack Jokes from my friend Jason Desmond Chin....**

There was a man who said, "I never knew what happiness was until I got married...and then it was too late!"

Love is one long sweet dream, and marriage is the alarm clock.

**They say when a man holds a woman's hand before marriage, it is love; after marriage, it is self-defense.**

**When a newly married man looks happy, we know why. But when a ten-year married man looks happy, we wonder why.**

There was this lover who said that he would go through hell for her. They got married, and now he is going through hell.

A husband is living proof that a wife can take a joke.

A husband is what's left of the lover after the nerve has been extracted. --  
Helen Rowland

**Married life is full of excitement and frustration:**

- \* In the first year of marriage, the man speaks and the woman listens.**
- \* In the second year, the woman speaks and the man listens.**
- \* In the third year, they both speak and the neighbors listen.**

**It is true that love is blind but marriage is definitely an eye-opener.**

It's true that all men are born free and equal, but some of them get married!

There was this man who muttered a few words in the church and found himself married. A year later he muttered something in his sleep and found himself divorced.

Son: How much does it cost to get married, Dad?

Father: I don't know son, I'm still paying for it.

**Son: Is it true? Dad, I heard that in ancient China, a man doesn't know his wife until he marries.**

**Father: That happens everywhere, son, everywhere!**

Marriage is not a word. It is a sentence--a life sentence.

**Marriage is love. Love is blind. Therefore, marriage is an institution for the blind.**

Marriage is an institution in which a man loses his Bachelor's Degree and the woman gets her Masters.

Marriage is a thing which puts a ring on a woman's finger and two under the man's eyes.

Marriage certificate is just another word for a work permit.

## Understanding Women

### **FINE**

This is the word women use to end an argument when they feel they are right and you need to shut up. Never use "fine" to describe how a woman looks - this will cause you to have one of those arguments.

### **FIVE MINUTES**

This is half an hour. It is equivalent to the five minutes that your football game is going to last before you take out the trash, so it's an even trade.

### **NOTHING**

This means "something," and you should be on your toes. "Nothing" is usually used to describe the feeling a woman has of wanting to turn you inside out, upside down, and backwards. "Nothing" usually signifies an argument that will last "Five Minutes" and end with "Fine"

### **GO AHEAD (With Raised Eyebrows)**

This is a dare. One that will result in a woman getting upset over "Nothing" and will end with the word "Fine"

### **GO AHEAD (Normal Eyebrows)**

This means "I give up" or "do what you want because I don't care" You will get a "Raised Eyebrow Go Ahead" in just a few minutes, followed by "Nothing" and "Fine" and she will talk to you in about "Five Minutes" when she cools off.

### **LOUD SIGH**

This is not actually a word, but is a non-verbal statement often misunderstood by men. A "Loud Sigh" means she thinks you are an idiot at that moment, and wonders why she is wasting her time standing here and arguing with you over "Nothing"

### **SOFT SIGH**

Again, not a word, but a non-verbal statement. "Soft Sighs" mean that she is content. Your best bet is to not move or breathe, and she will stay content.

### **THAT'S OKAY**

This is one of the most dangerous statements that a woman can make to a man. "That's Okay" means that she wants to think long and hard before paying you back for whatever it is that you have done. "That's Okay" is often used with the word "Fine" and in conjunction with a "Raised Eyebrow."

### **GO AHEAD!**

At some point in the near future, you are going to be in some mighty big trouble.

### **PLEASE DO**

This is not a statement, it is an offer. A woman is giving you the chance to come up with whatever excuse or reason you have for doing whatever it is that you have done. You have a fair chance with the truth, so be careful and you shouldn't get a "That's Okay"

### **THANKS**

A woman is thanking you. Do not faint. Just say you're welcome.

### **THANKS A LOT**

This is much different from "Thanks." A woman will say, "Thanks A Lot" when she is really ticked off at you. It signifies that you have offended her in some callous way, and will be followed by the "Loud Sigh." Be careful not to ask what is wrong after the "Loud Sigh," as she will only tell you "Nothing"
